

HOME LIFTS THAT  
**ELEVATE YOUR LIFESTYLE**

## INTRODUCING OUR PREMIUM HOME LIFT COLLECTION

### CIRCULAR & SQUARE LIFTS – ENGINEERED FOR ELEGANCE

Levitae Elevators brings you a range of exquisitely crafted luxurious home lifts, redefining vertical mobility for premium residences and bungalows. Designed with sophistication, safety, and silent performance at their core, our circular and square lifts blend seamlessly into your architectural aesthetics while elevating your everyday comfort.

## WHY CHOOSE LEVITATE?

### ARCHITECTURAL HARMONY

Our circular lifts offer a striking visual statement—perfect for spiral staircases, atriums, or central spaces. For a more contemporary edge, our square lifts integrate discreetly into any wall or corner with timeless elegance.

### GERMAN TECHNOLOGY, INDIAN PRECISION

Backed by international engineering and crafted in India, every Levitate lift is built with world-class safety standards, precision mechanics, and smooth, whisper-quiet operation.

### LUXURY IN EVERY DETAIL

From panoramic glass enclosures to custom interior finishes in wood, steel, or marble—each lift is tailor-made to reflect your personal style.

### ZERO PIT. ZERO MACHINE ROOM.

Our space-saving design requires no deep pit or machine room—making it ideal for bungalows, duplex villas, and retrofitting into existing homes.

### EFFORTLESS INTEGRATION

Installed with minimal civil work, Levitate lifts are designed to enhance both new and existing homes, with smart automation options for seamless living.

# CIRCULAR HOME LIFTS

- 360° panoramic glass design
- Compact footprint, ideal for centerpieces
- Smooth curvature with silent operation
- Ideal for modern, minimalistic, or luxury villas

**Pre-fabricated structure for seamless installation. No need for civil work and can be installed in minimal available space. No requirement for shaft and can be installed without supporting wall.**
